International Shipping

For one DVD the price for international first class mail is \$4.00. Add \$2.00 for each additional DVD.

For mailing internationally via any other means, please look up the cost yourself and provide detailed instructions for mailing in your request. One DVD with packaging Weighs 4 ounces. Add 2 ounces for each additional DVD. If you choose to use Fedex or any other service, please include the cost of having them pick up the items at the address above.

To get prices for US Post Office shipping please consult <http://postcalc.usps.gov/Default.aspx>. Please specify shipping from 61801 zip code in the US.

Warning: I will ship all items internationally within one week of receipt of your request. However, I am not responsible if the postal service does not deliver the package. I find that many DVDs disappear in international shipping. If you want your package to be guaranteed, please specify an alternative mode of shipping (like Fedex or DHL) that requires a delivery signature.
